

NoteCase 10 Laptops

USB-C

NoteCase 10 laptops is a portable storage and charging solution for 10 laptops.

NoteCase 10 laptops is a robust case adapted to the school environment where IT equipment and other inventory is used extensively in several locations and sometimes treated roughly.

NoteCase is an excellent solution when there is a need to move laptops, Chromebooks or similar devices between classrooms or other places in and around the school. The case design with handles, wheels and telescopic handle makes it much easier when devices must be taken up and down stairs.

NoteCase 10 laptops is a portable storage and USB-C charging solution for 10 laptops or Chromebooks with up to 60 watts per port. The case's cabling system prevents the cables from getting lost.

NoteCase 10 Laptops Solutions

- Designed for storing, charging and carrying up to 10 laptops or similar devices with a size of up to 15,6" inches.
- The case is robust and easy to transport with wheels and a telescopic handle.
- Handles on the sides and front make it easy to carry and move the case.
- The case has a cable management system that ensures that the cables do not get lost and are kept tidy.
- The hinges on the front make it possible to lock the case with padlocks, and ensure that the devices are stored securely.
- The ventilation holes in the lid ensure that the devices do not overheat during charging, together with the active fan solution.

Next level timer/charge function

The integrated USB charging function ensures intelligent charging. The ports will turn off once the devices are fully charged. This protects the batteries of the devices.

DEVICES

Laptops, Chromebooks and similar devices

Designed for laptops and Chromebooks up to 35 mm thick (See compartment dimensions on page 3).

ACCESSORIES

USB-C to DC tip cables (HP, Lenovo, Microsoft surface).

Item No.: Depends on devices which shall be charged. Please state device when ordering

4 digit padlock with master key
Item No.: NL-O-PADLOCK-4DIG

ITEM NUMBER

NoteCase 10 Laptops, USB-C
Item No.: NCASE-10LAP-UC-SC

1. Case with wheels and a telescopic handle.
2. Robust case for storing, carrying and charging up to 10 laptops, Chromebooks or similar devices. USB-C to USB-C cables are a part of the standard delivery of the NoteCase.
3. Build in UBS-C 10 port hub charger with 500 watts total power, sequential charging giving up to 60 watts per port.
4. The NoteCase is easy to open with the 4 individual two-layer closures on 3 sides of the NoteCase. In addition, it is possible to use a padlock on the NoteCase.
5. Power switch with LED Operation indicator and fan

NoteCase 10 Laptops, USB-C Charge

Technical specifications

Part Number: NCASE-10LAP-UC-SC

EXTERIOR DIMENSIONS		COMPARTMENT DIMENSIONS	
Width (incl. handles)	690 mm	10 compartments	
Depth	520 mm	Width	35 mm
Height	360 mm	Depth	390 mm
		Height	280 mm
WEIGHT NET/GROSS	17 kg/20 kg	ACTIVE VENTILATION	Active ventilation through chimney principle (Holes at the top) and fan, max 36 dB
LOCKING SYSTEM	4 x closing locks with option for padlock x 2	WHEELS	2 integrated easy-running wheels on the left side
CABLE MANAGEMENT	Yes	KEYS INCLUDED	0
CONNECTING CABLE	1.8 metre cable max. 10 AMP. Type F. EU/DK/UK	MATERIAL	Polypropylene copolymer in black
CONNECTOR	C13 female socket	HANDLES	A handle on each side + a handle in front + a telescopic handle Height with telescopic handle fully extended: 1050 mm
SWITCHING FUNCTION	On/off switch, 13A fuse On/off LED	SYNCHRONIZATION	No
CHARGING	USB-C, Intelligent P.D. 3.0 Up to 60 watts sequential charge per port, 500 watts total power, Intelligent P.D. 3.0	PACKAGING	Honeycomb recycling carting
DISPOSAL	According to local standards		

Certifications

CE, RoHS

Guarantee

2 years on the electrical components, 5 years on the body

NOTE! Do not place anything on top of NoteCase while charging.
