NoteBox 5

Key lock, USB-C

NoteBox 5 is a compact storage and charging solution for 5 tablets or similar size devices.

NoteBox 5 is a compact and practical small storage box that holds up to 5 tablets, iPads or similar size devices. Tablets can be charged in the locked NoteBox via 5 USB-C ports.

It is easy to hang the NoteBox on the wall in the classroom, staff room or office. Placement of NoteBox is flexible. The small storage boxes can also be placed on a desk or stacked if required.
NoteBox has a secure cable system that prevents cables from getting lost.

With NoteBox you get a small, robust and flexible box for secure storage and charging of up to 5 tablets, or iPads or smaller laptops/Chromebooks.

NoteBox 5
Solutions

• Designed for storing and charging up to 5 tablets, iPads or smaller laptops/ Chromebooks

• The NoteBox is a robust, small steel box.

• The NoteBox has a separate compartment for power and electronic equipment, as well as internal cabling with a security system that prevents the cables from being removed.

• The NoteBox can be fitted with power panels or USB-A or USB-C ports.

• The NoteBox can be placed on a desk or mounted on the wall. It can be stacked with as many devices as necessary.

• The NoteBox is equipped with a key lock as standard. It is also possible to fit NoteBox with a 6-pinned Ruko post box lock.

Next level timer/charge function
The integrated USB charging function ensures intelligent charging. The ports will turn off once the devices are fully charged. This protects the batteries of the devices.
